

Chanukah Party Feedback 5784:

One of our volunteers who has been volunteering at our Chanukah party for the last couple of years told her boss that she needs to leave work early on a December 7 - "it's the FC Chanukah party and it's not an option not to attend. The joy is unmatched!!"

Overheard after receiving Chanukah Gelt "we're rich, we're rich!"

The amount of comments I got how allergy friendly the table was - 10/10 doing again

I don't even know what to say...

Loved the new additions!

My kids really enjoyed!

Something really nice happened at the end. Someone I know wanted to make a minyan for maariv and my son with special needs was able to join and say kaddish which was really nice

Thank you for everything

Our family is really appreciative of the unconditional support that we get in the friendship circle community

I want to thank you and your team so much for tonight. It was phenomenal once again. My kids were really excited to go and they had so much fun! And once again they were so excited about the presents and amazed that you managed to figure out a gift that each kid was excited about. I am always so impressed at how you manage to maintain the family-like feel even as your community grows. It is very special.

So many moms were like, "how do you know my kids names, there's hundreds of people in the room?" - I'm like, because we care that you are here ;)
